Delegated authority matrix

Kestrel Pay Ltd and Kestrel Pay Europe Ltd. Version 4, approved by the board on 10 December 2025, in force from 1 January 2026. Owner: Helen Marsh, General Counsel. It replaces version 3, which was in force from 1 January 2025 to 31 December 2025.

The matrix says who may commit the company, and up to what amount. If a decision is not covered, ask Legal before you commit to anything.

General rules

1. **Whole value.** Limits apply to the total value of a commitment over its whole term, excluding VAT. A 3-year contract at £100,000 a year is a £300,000 contract.
2. **No splitting.** Splitting a commitment to bring it under a limit is a disciplinary matter.
3. **No self-approval.** Nobody may approve something they requested or that benefits them personally.
4. **Two signatories** means two different people, one of whom holds the level shown.
5. **Budget first.** Anything outside the approved budget needs the CFO's approval before it goes through the normal route, whatever its value.
6. **Cover.** When an approver is away, a deputy named in Legal's authority log may approve up to the same limit. Deputies cannot approve their own items.
7. **Executives** are the CEO (Amara Okafor), the CFO (Daniel Reyes), the CTO (Priya Nair) and the General Counsel (Helen Marsh).
